Educational Programme and Placement

The Foundation school integrated curricula (Kazakhstani and International Baccalaureate) include a variety of instructional methods to fulfil the needs of students with different aptitudes.

The learning activities nurture curiosity and creativity, encourage intellectual risk-taking, and develop critical and independent thinking.

The schools only admit students for whom there are appropriate educational programmes and in line with the Admissions Policy, which gives clear guidelines for student admission.

Admission is based on:

Available space in the target class (class sizes are limited to 22 students throughout the school)
Entrance test results
Interview with a student
Assessment by a psychologist (only for Pre-School, Kindergarten and Grade 1 students)

Documents:

1. An application to the Head of School signed by the parent/guardian
2. Birth Certificate (copy)
3. Photos (3X4)- 2 copies
4. Medical Certificate (original) including a full list of vaccinations
5. Record of achievements from previous school(s) for Kazakhstani students
6. Transcripts (and, if it is possible, report card, Diplomas, Certificates and etc.) for international students
7. Certificate of Middle School (for Kazakhstani citizens, Grade 10-11)
8. Proof of residence (Address reference)
9. Certificate of employment
10. A copy of the payment receipt

Time & Venue

Entrance tests are administered at Miras Almaty and Astana in the second half of April and in the second half of August. Students who fail (an) exam(s) in April are allowed to retake the subject(s) in August.

To meet the needs of prospective students who cannot sit tests in Almaty, Astana Miras schools also allow students to take entrance tests at their present school, providing the school assures that the tests will be taken in strict exam conditions. Exam scripts must be scanned and emailed to the DP Coordinator and hard copies must be mailed to Miras Almaty, Astana schools as soon as the last exam has ended.

3. Interview

Should exam results be inconclusive, Miras may request that the student attend an interview with the Secondary School Principal and DP Coordinator

Induction period

There is an induction period of four - six weeks for all students who are new to the school. During this period the student's well-being will be monitored by the Homeroom Teacher, School psychologist and, as needed, support will be provided by the subject teachers and appropriate school managers.

Probation

Students who obtain a score from 50-59% may be entered on probation if they perform successfully in the interview.

The probation period may be up to 3 months. At the end of the probation period, student's progress is reviewed, the decision made whether to fully accept the student into the school.

General expectations and standards of behavior

All members of the school community (students, parents, school staff members) know and follow the school Code of Conduct.

Parents should become familiar with the document on the first parent's meeting with the homeroom teacher or by reading it themselves.

Parents undertake to ensure that their children respect all school rules and in particular the obligation to attend classes on a regular basis throughout the school year.

Students agree that information regarding school work such as reports and attendance be communicated to the person signing the Agreement for Studies (parent or legal guardian).

Expulsion

The school reserves the right to exclude (suspend or put in detention) or expel a student who does not respect and follow the school rules (see Disciplinary Policy).

Expectations of Parents

Parents play an important role in ensuring their child's adherence to the school Policies and Regulations. Parents can assist by encouraging their child to be punctual to prevent lateness for classes and studying, to follow the dress code and act appropriately.

Parents should keep in close contact with the homeroom teacher and subject teachers to be aware of their child's achievement or problems. Parents may stay in contact with School Administration, if necessary.

Health

When a child is enrolled at the school parents must submit medical records noting illnesses their child has previously suffered, allergies, chronic diseases, food intolerance etc.

In compliance with the order issued by RK Ministry of Health there is a schedule of vaccinations for every year. Parents will be informed about vaccinations beforehand. If a child is injured or has any pain, the school medical staff will render necessary first aid. Parents are responsible for informing the school if their child (ren) has/have a contagious illness that may potentially harm other students or school staff.

Security

Foundation Schools take all reasonable and recommended measures to ensure the safety of the students and the facility. Security guards are on duty 24 hour-period. There are video cameras in the school.

Use of Images and publication of information

The schools will take all reasonable steps to ensure that students do not appear in any school publication where parents have indicated on the Agreement for Studies that their children should not appear.

The schools also produce, for internal use only, directories of students' names and addresses. Any parent who does not wish their children to appear in the Directory must inform the schools.

Transport service

The Foundation schools do not provide transport service.

Entrance Fee for New Students

The one-time (entrance) fee is paid by parents before signing a bilateral tuition agreement with School. The entrance fee is used for further improvement of the school environment. The entrance fee is non-refundable and payable to confirm places.

Failure to Pay Invoices

The Foundation Schools **have the right to refuse entry to class and final examinations, and to withhold diplomas, reports and transcripts for students whose invoices are not settled on due date.**
